

MPC STUDENT MINISTRIES

General Scholarships:

The end in mind for all of our events is that kid's in our community would ultimately find a relationship with Jesus Christ. We work hard all year to raise funds so that any student who desires to take part in any of the activities we host will have the opportunity regardless of finances.

We also acknowledge families with multiple kids in our program. We provide discounts as well as scholarships on an as needed basis. We do not ask for financial records or personal information. We do not list or publicize names or use personal information publicly.

Our heart is that we are here to help families grow in Christ.

If you would like a full / partial / or reduced rate scholarship simply email Jim Beirne @ jim@mpclife.com
